

GREEN PARTY OF NEW YORK 2020 Presidential Preference Absentee Ballot

This ballot is for enrolled members of the Green Party of NY to vote for their preferred candidate to be named the 2020 Green Party of the United States Presidential Nominee. **All votes must be cast via this absentee ballot.** The results will be announced during the GPNY Virtual State Convention on May 16 (details: gpsy.org/2020convention).

Only ballots from those who are registered to vote with the NY State Board of Elections as a member of the Green Party will be counted, with the addition of New York state residents legally barred from registering to vote who have enrolled in the GPNY Supporting Members program. **Please enter your enrollment verification as it appears on your voter registration or Supporting Members registration.** You can check your voter registration information at: voterlookup.elections.ny.gov/ **Ballots must be postmarked by May 9, 2020.**

Voting Instructions:

Rank the candidates in order of preference (1, 2, 3, etc.), with "1" being your first preference. You do not have to rank all of the candidate options. GPNY delegates to the Green Party National Convention will be awarded to candidates **proportionally** based on the number of votes they receive. If a candidate receives less than 5% of first choice votes they will be eliminated and their ballots allocated to the next choice listed on the ballot. That process will repeat until all remaining candidate have at least 5% of the vote.
